ORDER:-

Keeping in view prevailing adverse seasonal conditions, the Director, Animal Husbandry submitted a contingency action plan to meet the shortage in fodder supply in the coming months.

2] The Director, Animal Husbandry has reported that to augment the fodder production in the State with the available moisture and at assured water resources, it is proposed to take up fodder cultivation in the state immediately since it takes 60 to 75 days for the fodder crop to grow and only then fodder will be available to the farmers to feed the live stock. Hence there is an immediate need to support the needy farmers by supply of 2000 MTs of fodder seed on 75% subsidy to take up fodder cultivation in the state in an extent of 1.00 lakh acres. During the year 2008-2009 an amount of Rs.5.00 crores was allocated for procurement and supply of fodder seed on 75% subsidy under Plan Scheme. During 2009-2010 only an amount of Rs.1.25 crores is allocated out of which Rs.50.00 lakhs has already been released to the districts for procurement and supply of fodder seed on 75% subsidy. Therefore, the Director, Animal Husbandry has requested to sanction an amount of Rs.500.00 lakhs immediately for procurement and supply of 2000 MTs of fodder seed on 75% subsidy to promote fodder cultivation to support the farming community.

3] Government after careful examination of the matter, hereby decided to sanctioned an amount of Rs.3.50 crores [Rupees three crores and fifty lakhs only] to the Director, Animal Husbandry, Hyderabad for procurement and supply of 2000 MTs of fodder seed on subsidized rate to promote fodder cultivation to support the farming community from Calamity Relief Fund [CRF].
